A British study group visited IMET2000-Pal

The meeting was held at the Palestinian Red Crescent Society in Ramallah. DrMohammad Obaid-Allah started his speech by welcoming group members, and then he outlined the main pillars of the IMET2000-Pal, fields of interest as well as previous and future projects. A number of issues were also discussed during the meeting such as the mental health sector in Palestine and E-learning and the current situation of medical research in Palestine. The visiting team valued IMET2000 efforts and showed deep interest in what we do.

Anaesthesia Programme

Dr Najia Hasan, an anesthesiologist from UK was the fifth volunteer to Palestine as part of anaesthesia training program to support safe global anaesthesia and to run hands-on training for the anaesthesia residents. Dr Najia accomplished his 2-week mission starting on 26/10/2018 at Al-Ahli Hospital in Hebron.
